

Would you like to join the District Association?

What's the District Association?

The District Association (Neighborhood Associations) are organizations formed by residents in each area. They work together with the Senior Citizens' Club, Children's Association, Volunteer Fire Department, and others to engage independently in various activities.

Regarding concerns in daily life

As a member of the District Association, they can discuss daily concerns such as garbage collection with fellow residents and submit requests to the city on behalf of the district.

Fun events

By Meeting up with local residents at festivals and other community events are also an opportunity for communication.

The Safety and Soundness of Life

Through regular participation in disaster drills and crime prevention activities within the community, neighbors can support each other in the event of an emergency, ensuring a safe and pleasant life.

Frequently Asked Questions

Q

What exactly is the District Association? and does everyone have to join?

The District Association is a voluntary organization formed by local residents to create a better community. Joining is optional, although we especially need young people's efforts more than ever!

Q

What is the district expense used for?

District expenses vary by area, but they are allocated for such things as crime prevention patrols and cleanup operations.

The city is working to promote information exchange between residents and their respective districts to ensure smooth communication. For those who have completed the Contact Form, the district committee will later make a visit to give a detailed explanation about the District Association.
